Dear Principal,

TET was founded in 2018. We are happy to inform for completion of 6 success years. We collaborated with the organizations to conduct activities under TET during those years. It is a great pleasure to inform you that Subject Experts of International repute have developed a Talent Enhancement Test 2024 for the students of Primary, Secondary and Senior Secondary Schools in India for enhancing the competitive ability of students related to English, Mathematics, Science, General Awareness and more

The details are as follows:

- Talent Enhancement test is for all the students of classes I to XII.
- It will be conducted in two phases i.e. First Level Examination (FLE) and Second Level Examination (SLE).
- FLE will be conducted in July, August, September & October zone wise. School can select any date as per its convenience.
- SLE will be conducted in last week of January or First week of February 2025. The Final date will be informed after declaration of first level examination result.
- FLE will be of one hour duration and SLE will be of two hours duration. FLE and SLE will be conducted offline/online mode. Offline will be on OMR and Online will be conducted through online proctoring system.
- First Level of The Talent Enhancement test will be based on NCERT Syllabus and syllabus followed by international board of English, Mathematics, Science and General Awareness.
- FLE will be two test papers for combo of subjects i.e. one test paper of Mathematics & General Awareness and second test paper of Science and English and SLE will be having single paper of all four subjects.
- A practice test material will be provided to all registered students from I to XII on additional cost. The Test fee is Rs. 150 per student for each subject. One test paper has two subjects so total cost will be INR 300 per test paper. Physical Practice material costs INR 200 per test paper and Digital books will be provided at INR 100 per test paper. The fee will be collected by the School.
- The fees will be remitted by cash /cheque/NEFT/RTGS in the bank account.
- The Talent Enhancement test will be conducted within the School. All students will get participation certificate.
- The result will be declared by expert panel after evaluating the performance of the students.
- In FLE, top 3 students of each class per school will be felicitated with medal if the total number of students per class per school will be 30 or more.
- Top 10% (Those who secured 70% and above marks) of total registered students of each class per school will be eligible for appearing in the Second Level Exam.
- Top 50 students of SLE from each class (Marks obtained must be 70% or above) will be awarded at zone level and national level with cash prizes or vouchers of equal to prize amount or educational kit of equal value and all students will get participation certificate. Full assistance to top rankers for getting scholarship for further studies.
- QTL will assist top students to get scholarship through corporate CSR fund based on their economic background. The classes, scholarship duration and amount offered will solely the right of corporate CSR heads/corporate owner who are willing to extend scholarship to top rankers.
- If 20 students of a school will achieve 90% and above in second level examination then the school will be awarded with "Best School Award". Principal and School Coordinator will get "Best Principal" and "Best Coordinator" Awards.

Talent Enhancement Test cultivates a culture of lifelong learning by encouraging students to pursue academic excellence beyond the classroom. Through Talent Enhancement Test, students are inspired to continue their intellectual exploration and pursue higher education and careers in their chosen fields.

Thanking you and looking forward to hearing from you.
